yes no

Conditions

Health Status

Cats with contagious diseases (e.g. cat flu, fungal infections, etc.) cannot be accepted at check-in. The owner is required to check the cat's health prior to arrival.

Vaccinations

All cats must be properly vaccinated and annually vaccinated against feline respiratory disease and feline distemper. The last vaccination must not be more than 1 year old.

Neutering

Male cats must be neutered.

In shared rooms, all cats must be neutered.

Parasite Control

Both outdoor and indoor cats must be treated for parasites. On request, we can carry out the treatment upon check-in. The deworming must not be older than 3 months. Flea/tick treatments must not be older than 1 month.

Done by the owner: Deworming Flea treatment

Cancellations

For cancellations made up to one month before the stay, we will charge you half of the total amount.

For cancellations made within one week before the stay, the full amount will be charged.

In cases of early pickup, the booked vacation days will be charged in full.

Payment

The full amount must be paid at check-out or via card payment. No invoices will be issued.

For stays longer than 4 weeks, half of the total amount must be paid at the beginning of the stay.

In the event of early pickup, the booked vacation days will be charged in full.

Check-in Time: Mon-Fri: 3:00 PM – 5:00 PM, Sat: 2:00 PM – 4:00 PM, Sun: Closed

Check-out Time: Mon-Sat: 10:00 AM – 12:00 PM, Sun: Closed

For early or late check-in/check-out, an additional day will be charged.

Cats from different households will be kept separately. Any costs incurred from injuries or illnesses are the responsibility of the owner. No liability is assumed for unexpected deaths.

The Marigin Katzenhotel is authorized to initiate emergency medical measures and therapies in cases of illness or injury. These additional costs will also be charged to the owner.

By signing, I confirm the accuracy of my information and accept the boarding contract, including the general terms and conditions.
